Extremely Likely

- Receptionists are always friendly and helpful and you can always get an appointment if you come early in the morning.
- Poorly baby, treated quickly & patience (with worried parents) thanks.
- I have seen Dr. Lund also a time before, what a great doctor so attentive with great bedside manner.
- My GP Zoe Keeble makes an extra special effort with my care. I am registered at Audley Mills because I don't want to see another doctor.
- You helped us in our time of need.

Likely

- Brilliant surgery. Lovely girls. Frances is my favourite.
